

SEE NO EVIL

H e a r N o E v i l

We have heard much these days about a New World Order with one of the prevalent forces behind The New World Order -- the CFR (Council on Foreign Relations). CFR members over a period of years have moved into prominent positions, many of which are in the media exercising great influence over the populace in the way they interpret news and want you to perceive what is happening. News reported regarding Israel has always been a major point of concern. The majority rely on the US media to keep them informed about occurrences in the world with few examining the validity of media claims, especially regarding Israel. Facts regarding what actually happens in Israel are usually distorted by the media in order to influence favor away from the Jewish State and toward the Arab and Palestinian sectors. This ploy the media usually uses portrays Israel always as the aggressor as opposed to the defender of her land and her people; it rallies support for the UN to demand restraint on Israel's part. To the general public it appears to justify the need for the UN to intervene in Israel, and will eventually enable the UN to necessitate the institution of Resolution 181 to divide Jerusalem and make it an international city, headquarters for the UN, a plan which HaShem condemns in the Scriptures because it is G-d's headquarters here on earth.

Zechariah 12: 9 declares: "It shall be in that day that I will destroy all the nations that come against Jerusalem." (UN)

Joel Chapter 3 is very clear regarding HaShem's plans for His land and His people: "For behold, in those days and at that time, when I bring back the captives of Judah and Jerusalem, I will also gather all nations (UN), and bring them down to the Valley of Yehoshaphat; and I will enter into judgment with them there on account of My people, My heritage Israel, whom they have

scattered among the nations; they also divided My land. They have cast lots for My people, have given a boy as payment for a harlot, and sold a girl for wine, that they may drink. Indeed, what have you to do with Me, O Tyre and Sidon, and all the coasts of Philistia? Will you retaliate against Me? But if you retaliate against Me, swiftly and speedily I will return your retaliation upon your own head; because you have taken My silver and My gold, and have carried into your temples My prized possessions. Also the people of Judah and the people of Jerusalem you have sold to the Greeks, that you may remove them far from their borders. Behold, I will raise them out of the place to which you have sold them, and will return your retaliation upon your own head. I will sell your sons and your daughters in to the hand of the people of Judah, and they will sell them to the Sabeans, to a people far off; for the L-RD has spoken. Proclaim this among the nations: "Prepare for war! Wake up the mighty men, let all the men of war draw near, let them come up. Beat your plowshares into swords and your pruning hooks into spears; let the weak say 'I am strong.'" Assemble and come, all you nations, and gather together all around. Cause Your mighty ones to go down there, O L-RD. "Let the nations be awakened, and come up to the Valley of Yehoshaphat; for there I will sit to judge all the surrounding nations. Put in the sickle, for the harvest is ripe. Come, go down; for the winepress is full, the vats overflow -- for their wickedness is great." Multitudes, multitudes in the valley of decision. The sun and moon will grow dark, and the stars will diminish their brightness. The L-RD also will roar from Zion, and utter His voice from Jerusalem; the heavens and earth will shake; but the L-RD will be a shelter for His people, and the strength of the children of Israel. "So you shall know that I am the L-RD your G-d, dwelling in Zion My holy mountain. Then Jerusalem shall be holy, and no aliens shall ever pass through her again." And it will come to pass in that day that the mountains shall drip with new wine, the hills shall flow with milk, and all the brooks of Judah shall be flooded with water; a fountain shall flow

from the house of the L-RD and water the Valley of Acacias. Egypt shall be a desolation, and Edom a desolate wilderness, because of violence against the people of Judah, for they have shed innocent blood in their land. But Judah shall abide forever, and Jerusalem from generation to generation. For I will acquit them of the guilt of bloodshed, whom I had not acquitted; for the L-RD dwells in Zion.”

So even though the UN plan is to take over Jerusalem and divide it, HaShem will not stand for it! He will take revenge on those nations who would violate His Land and His people and the city which He has chosen as His eternal capitol to place His name.

RIGHT UNDER OUR NOSES

A new currency is projected to be in place by 2010, if even that far away. I know all of us wonder how the US will get out of all the debt we continue to incur. Recently I was made aware that the dollar will tumble and a new currency called the “Amero” will be put in place, which is even now being printed. The Amero is proposed to replace not only the US dollar, but also the Canadian dollar and the Mexican peso as well. How could this ever happen right under our noses? Not a single American citizen has been asked if they even want a new currency, nor has a single member of Congress voted on authorizing a new currency. Yet a new currency is already in process and quietly being distributed around the world to those under the United Nations. It is all being done without consent of the American people and without a vote by Congress. It has intentionally been covered up by every official who has been questioned about it.

The reasoning behind the new currency will be “to get the government out of national debt”. Another excuse is that the “old dollars” will be devalued by ninety percent. Think about this! Ninety percent of all our life savings in a single sweep will be taken away from you. The government will get out of debt but the rest of us will be totally destitute, broke, busted and helpless. If they are already printing new paper currency, the destruction of the U.S. dollar can’t be too far away. Will the US eagerly embrace the newly formed currency? Many nations will but not the U.S.A.

A ONE WORLD GOVERNMENT cannot be formed on an equal basis with the richest leading economic nation, the United States, continuing as

is. It must be broken down in order for their plan to be successful. The One World Government will have a single monetary system and a single cost of living standard under the new regional NAFTA. United States’ salaries under NAFTA will begin to decline and businesses will continue to “globalize” where jobs will be outsourced to other nations where labor is much cheaper until US standards are lowered.

Mexico is a much poorer nation; but under NAFTA, their standard of living will be raised in order to be considered equal. I don’t know yet exactly what will happen with Canada but they will definitely have to comply as well in order to be recognized by the UN. These three nations under NAFTA must comply with the demand to change as they are being pushed to become united into one region.

The United States is steadily on the downward spiral from being the great nation that it is. We will be reduced by a new monetary system and a standardized cost of living well below what we have created for ourselves by our capitalism, eventually becoming on equal par comparable with the other nations and regions of the world.

Today over 50% of Americans do not want globalization and citizens around the world are feeling the pain. It is today’s global economic upheaval by those who created what is called a “New International Economic Order”. It is written that John F. Kennedy tried to warn us that something was going wrong, “The high office of President had been used to foment a plot to destroy the American freedom. He made the statement, “Before I leave office I must inform the citizens of their plight.” This was passed on to us from Columbia 10 days before Kennedy’s assassination.

TRI-LATERAL COMMISSION

There exists an agenda to bring the United States and all the other independent nations of the world to demise under a NEW WORLD ORDER. Behind this plan, powerful, global mega forces are on a relentless drive to bring this about. If the US, one of three nations in a tri-lateral push to bring it about is successful, then we need to pray and prepare ourselves now as this nation is brought under the slavery of a “ONE WORLD GOVERNMENT.”

The Tri-lateral Commission was established in 1973 by David Rockefeller. After thirty-seven years people are still blind as to its purpose. There is a Tri-Lateral Sphere composed of the United States, the European Union and Japan that will transform individual nations into ten regions. The driving goal is to establish a "NEW WORLD ORDER" actually meaning a one-world system. The Bible warns that in the last days a political and economic one world system will gravely alter the world as we know it.

Under the United Nation's Charter, the United States is to become a new province in the "New World Order" with only one vote among all the nations.

The UN will institute drastic military measures as well: the transfer of the United States' military to the United Nation's army under full control by the UN; a UN army that would police US cities and completely disarm its citizens. This means no more US army, navy or air force and no more firearms for citizens under a separate United States. Today we have 200,000,000 weapons in the hands of a million loyal patriots who are willing to give their lives so that this "Republic Under G-d" would remain free.

Former President Jimmy Carter today travels around the world meeting with foreign leaders in a continual push toward the demise of our country as a single great nation. Zbigniew Brzezinski has been involved with the Tri-lateral Commission from its inception. He previously made the following statement: "The Tri-lateral Commission has meant a great deal to me over the last few years. It has been the stimulus for intellectual creativity and a source of personal satisfaction. I have formed close ties with new friends in all three Tri-lateral regions, ties which I value highly and which I am sure will continue. I remain convinced that, on the larger architectural issues of today, collaboration among our regions is of the utmost necessity. The collaboration must be dedicated to the fashioning of a more just and fair world order. It will require a prolonged process, but I think we can look forward with confidence and take some pride in the contribution which the commission is making".

George Bush, Sr., Bill Clinton, Al Gore, Richard Cheney and George Bush, Jr. have all been US leaders who emerged through the Tri-lateral Commission. Every administration since Carter has had top Tri-lateral Commission repre-

sentatives in high positions to orchestrate our demise, all of which have been under two groups: Skull and Bones and CFR. This includes the media with newspapers, television and radio all in the clutches of members of CFR.

TRI-LATERAL SPHERE

There are ten world regions that will exist in the end and are referred to in the book of Revelations. The first three regions are those we have identified as the TRI- LATERAL SPHERE. This is composed of the European Union; United States, Canada and Mexico; and the third region presently being established under Japan, includes China and South Korea, collectively to be known as SAFTA. The first region to be established was the European Union which started with 23 member nations, but now number 44. Joining NAFTA in the future will be others in Latin and South America that will eventually be another region of the final 10. .

DANIEL'S VISION OF THE FOUR BEASTS

The following was prophesied in Daniel chapter 7: "Four mighty beasts different from each other have emerged from the sea. The first (Babylon) was like a lion, but had eagle's wings. As I looked on its wings were plucked off, and it was lifted up off the ground and set on its feet like a man and given the mind of a man. (As a beast it was involved in "world trade" in its time.) Then I saw a second different beast, which was like a bear, but raised on one side, and with three fangs in its mouth among its teeth; it was told, 'Arise, eat much meat!'" Its name was Rome!

The third harlot is a leopard. I believe the US is the third harlot as the world leader in foreign trade with New York City as its headquarters. All eyes are glued on New York City with the World Trade Center, the New York Stock Exchange and the headquarters of the United Nations. Daniel says that the fourth beast was "dreadful and terrible, exceedingly strong. It had huge iron teeth and was devouring, breaking in pieces, and trampling the residue with its feet. It was different from all the beasts before it, and it had ten horns." Daniel goes on to say, "I was considering the horns, and there was another horn, a little one, coming up among them, before whom three of the first horns were plucked out by the roots. And there, in

this horn, were eyes like the eyes of a man, and a mouth speaking pompous words...

Daniel 7: 17-27 clarifies, "Those great beasts, four in number means four kings will arise out of the earth; then holy ones of the Most High will receive the kingdom, and will possess the kingdom forever- forever and ever (starting with the millennium). Then I (Daniel) wished to ascertain the true meaning of the fourth beast which was different from them all. The fourth beast is very fearsome, with teeth of iron, claws of bronze that devour and crush, and stamp the remains of ten horns (ten regions) on it head (NAFTA being one of them); and of the new one that sprouted, before which three fell (HaSatan), the horn that had eyes, and a mouth that spoke arrogantly, and which was more conspicuous than his fellows. I looked on as the horn made war with the holy ones (believers in the G-d of Abraham, Isaac and Jacob) and prevailing against them, until the Ancient of Days came, and a judgment was made in favor of the holy ones of the most High, for the time came for the holy ones to take possession of the kingdom. This is what he said. 'The fourth beast means there will be a fourth kingdom upon the earth (United Nations of Europe) which will be different from all the kingdoms; it will devour the whole earth, tread it down, and crush it. And the ten horns from that kingdom are ten kings who will arise from this kingdom (to head 10 regions), and after them another will arise (HaSatan). He will be different from the former ones, and will bring low three kings. He will speak words against the Most High, and will harass the holy ones of the Most High (believers), and will persecute the holy ones of the Most High. He will think of changing times and law. Then the holy ones will be delivered into his power for a time, times, and half a time. But the court will sit and his dominion will be taken away, to be destroyed and abolished for all time. The kingship and dominion and grandeur belonging to all the kingdoms under Heaven shall be given to the people, the holy ones of the Most High. His kingdom is an everlasting kingdom, and all dominions shall serve and obey Him."

Time is moving very quickly. We must stay alert with our spiritual eyes open that we may see, and our spiritual ears open that we will hear. We must prepare our hearts and minds to focus

on HaShem as the world around us becomes increasingly dismal. When Rav Shaul pleaded with the L-rd to take away the "thorn in his flesh" in II Corinthians 12: 8-9, the Messiah proclaimed "My grace is sufficient for you, for my strength is made perfect in weakness."

Ephesians 6:10-13 "Finally, my brethren, be strong in the L-rd and in the power of HIS might. Put on the whole armor of Elohim, that you may be able to stand against the wiles of HaSatan. For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual wickedness in high places. Therefore take up the whole armor of Elohim, that you may be able to withstand in the evil day, and having done all, to stand." As we draw close to Him through D'var HaShem (the Word of G-d) and seek His face, He will draw close to us. Let us fight the good fight armed for the great spiritual battle!

We want to take this opportunity to wish you all a Happy and Healthy New Year! May HaShem truly bless you and keep you and cause His face to shine upon you and grant you His Shalom.
