

A WORLD

G O N E A W R Y

In the early 1900's there was an important chain of events that took place in regard to the forming of a One World Government. The book of Revelations speaks about what and how this would be brought about. We are definitely now entering into this time period that will expose a hidden agenda. Realize that when things start escalating the God of Abraham, Isaac and Jacob will, in His anger, bring the world as we know it to demise and restore those who return to Him through forgiveness of their sins, otherwise called t'shuvah. The God of Abraham, Isaac and Jacob will not lose this battle, and His Word (D'var HaShem), that became flesh in the person of Messiah Yeshua, will stand against the evil of these days.

BANKRUPTCY

It was set in motion with the filing of chapter 11 against the U.S.A. on March 17, 1933. On this date it was logged in the United States Congressional Record, Vol. 33, Pac H-1303, the Bankruptcy of our nation. Representative James Traficant, Jr. (Ohio) addressed the House with the following message:

"Mr. Speaker, we are now in chapter eleven, Members of Congress are official trustees presiding over the greatest reorganization of any bankrupt entity in world history, the United States government. We are setting forth hopefully, a blueprint for our future. There are some who say it is a coroner's report that will lead to our demise. It is an established fact that the United States Federal Government has been dissolved by the Emergency Banking Act, March 9, 1933 H8 Stat. 1, Public Law 89-719, declared by President Roosevelt, being bankrupt and insolvent, H.J.R. 192, 73rd Congress in session June 5, 1933. Joint Resolution to suspend the gold

standard and abrogate (abolish) the gold clause dissolved the sovereign authority of the United States and the official capacities of all U.S. governmental offices, officers, and departments and is future evidence that the United States Federal Government exists today in name only."

Franklin D. Roosevelt, a freemason, became president on March 4, 1933, at a time the USA was deep into the Depression. He appeared to be battling to get our nation back on its feet, but in a final agreement with the Federal Reserve, which came into being in our country in 1913, bankruptcy took place. Those who went bankrupt were international bankers via the League of Nation's offices. Officials and departments are now operating within a de facto status in name only under emergency war powers. Our republic constitutional form of government dissolved, and those bankrupt adopted a new form of government for the United States. Our country is these days constantly being referred to as a democracy, when I had been taught we are a republic. Now I understand why.

EFFECT OF CAPITALISM

Largely due to the influence capitalism has had on the United States, a far reaching endeavor emerged to create a world system of financial control to dominate the political systems of the world. ECONOMIC GLOBALIZATION will eventually cause the loss of sovereignty and the blending together of economies, peoples, laws, politics, monies and social ethics into "ONE". Facilitating this globalization process are the world central banks.

Through the foreign trade and economic leadership of our time, we are approaching the point of an economic collapse. The present debt of the United States is exceeding 11 trillion dollars and a large percent of this debt is owed to foreign nations. Our national debt continued to swell when the US government pulled Fanny Mae and Freddie Mac from bankruptcy. Our excessive debt may lead to the federalizing of our banks in

the future, which would make the situation even worse. Our national banks are currently in financial trouble, a part of the plan to control. In the not too distant future, as we get deeper into national debt, we may see the dollar collapse, in effect due to the passage of the Federal Reserve Act.

Most people think the Federal Reserve is part of the United States Government; IT IS NOT! It is a private corporation given the right to control our economy as early as 1913 with the passage of the Federal Reserve Act. The Fed is not Federal and it doesn't have reserves. If you take paper monies such as the dollar bill, you will see printed on it "Federal Reserve Note".

Today, every country in the world has a central bank which controls their monetary system. Therefore, if a country is not following the dictates of the international bankers, the bankers can influence them by calling on all member nations to sell that country's currency at the same time in order to bring the "renegade" country to its knees economically! Isn't that what happened to Brazil? That means if the US dollar were to collapse, it would most likely bring about a demand from other U.N. nations to require the US to possibly give up land as a tangible asset in return for the dollar.

The time is fast approaching when the dollar will become a different currency regulated by another government, most likely the European Union, which now consists of 27 nations. Then the Federal Reserve System of the United States, having caused our monetary downfall, will become a branch of the IMF (International Monetary Fund) before succumbing to the "Mark of the Beast". We must truly wake up to the fact that our United States of America is and has been a spiritual and economic "Mystery Babylon", the third harlot of the Book of Revelation, who will fall politically and economically, and eventually, I believe, will shift to the European Union.

It truly is also the time for a wake up call for believers in Messiah Yeshua, that we are entering the course of a one world religion, which is another part of the plan to unify the world as one. The pope along with the Catholic Church has led the way for a number of years now. If they are successful, we will, in the near future, see padlocks on synagogues and churches that

believe in the God of Abraham, Isaac and Jacob. HaSatan is using this concept of unification, a plan of monstrous deception, to deceive millions of people, and even the very elect of God, when possible.

Satanic radiation and fallout is poisoning the minds of hundreds of millions of people. The nerve center of this today is the UN plaza building in New York City, in our own country. Before our very eyes we are seeing those who do not know the Word of God (D'var HaShem) being poisoned and drawn away by deception.

II Thessalonians 2: 13-17 lays out the path we must follow. "But we have to keep thanking Elohim for you always, brothers, whom HaShem loves, because HaShem chose you as firstfruits (bikurim) for deliverance, by giving us the holiness that has its origin in the Spirit, and the faithfulness that has its origin in the truth. He called you to this through our good news, so that you could have the k'vod of Adonai Yeshua the Messiah.

Therefore, brothers (and sisters), stand firm; and hold to the traditions you were taught by us, whether we spoke them or wrote them in a letter. And may our Adonai Yeshua the Messiah himself, and Elohim our Father, who has loved us and by His grace given us eternal comfort and good hope, comfort your hearts and strengthen you in every good word and deed."

BEWARE!

It is a fact that the wicked are genuinely against the God of Abraham, Isaac and Jacob and are pressing forward for a One World Government. The following are six global goals they are seeking:

1. A new international economic order.
2. One World Government under a "New World Order"
3. The demise of the United States economically and spiritually. Its main objective is to bring the United States to its knees by a massive depression causing the American people to accept this New World Order.
4. Bring about the creation of a United States of Europe
5. HaSatan would poise himself as the supreme world leader to preside over this coming One

World Government

6. Establish a One World Religion which strong believers will not follow.
7. Under UN Article 43, "No person can be loyal to the Constitution of the United States and uphold the charter of the United Nations

THE FUTURE WORLD SYSTEM

This will be a system that involves a single currency, single centralized economic government, single tax system, single language (most likely English), single political system, single world court of justice, single world leader and a single religion. When we reach this point, then the future leader HaSatan as spelled out in the book of Revelations will emerge to take over as the world leader. We will look back and wonder what happened as time races its course.

It's interesting when we look at the Jewish calendar. II Peter 3:5 tells us, "Moreover, dear friends, do not ignore this, "With HaShem, one day is like a thousand years, and a thousand years are like one day". This reveals something about HaShem's timeframe, that we are nearing the end of six thousand years, which, according to Peter, would indicate that it could be six days. Realize that the seventh day in the scriptures is a Sabbath day in which believers come before HaShem in rest. That means the final thousand years, the seventh day, will be a time when all believers will be with HaShem and rest with Him in a righteous kingdom here on earth. The last thousand years will be a great Shabbat.

Even though the current Jewish calendar indicates the Jewish year is 5770, many feel it is in error because years were omitted when Messiah Yeshua was present on earth. One thing we can say for sure is that time is growing short and we can truly see we are entering into difficult times. Also written in II Peter, "First understand this, during the last days scoffers will come following their own lusts and saying, 'Where is the promise of His coming? Our fathers have died, and everything goes on just as it has since the beginning of creation. For this they willfully forget: that by D'var HaShem (the Word of God) the heavens were of old, and the earth standing out of water and in water, by which the world that then existed perished, being flooded with water.

But the heavens and the earth which are now preserved by the same Word, are reserved for fire until the day of judgment and perdition of ungodly men...HaShem is not slack concerning His promise, as some count slackness, but is long-suffering toward us, not willing that any should perish but that all should come to repentance."

THE PATH OF COLLAPSE

This great nation has been so blessed, but we are headed for a depression that promises to be more devastating than the one in the thirties. It will occur by design and its purpose, I believe, will be to usher not only the United States but the whole world into TRIBULATION. The rise of a NEW WORLD ORDER and a NEW WORLD LEADER of estimated charisma and power will deceive the whole world.

Many parties are involved in setting the stage for the establishment of a ONE WORLD GOVERNMENT. One of these players is the CFR (Council of Foreign Relations). It became a powerful force in the United States with the passing of the Federal Reserve Act, which helped set up America's central bank. CFR is made up of members who hold major positions in our government and control the media, which is why we don't hear about them. They also hold positions in the academic arena. SKULL AND BONES and BILDERBERGERS are two secret organizations that together are driving our nation in demise.

We must wake up and realize that the ONE WORLD GOVERNMENT of the book of Revelation is fast upon us. There has been much written in the book of Revelation about the demise of single nations. Obama and McCain running for president of the United States are both members of CFR, however Obama is being mentored by Zbigniew Brzezinski, a member of another secret organization called the Tri-Lateral Commission. The Tri-Lateral Commission was established in 1973 by David Rockefeller and is an extension of the CFR. Zbigniew was a past security advisor to President Jimmy Carter. This group is driving to make the United States into a region, a global community of nations called THE NEW WORLD ORDER.

With Obama seeking the presidential role, we will only see a greater push through his mentor for the ONE WORLD GOVERNMENT. A lot of what Obama says in his speeches is deceptive and will not be a part of what he will be advised to do. Zbigniew Brzezinski has a history of evil.

Other CFR members who are political leaders in the limelight are: Dick Cheney, John Kerry, Bill Clinton, Hillary Clinton, Al Gore, Ronald Reagan, George Bush Sr, Gerald Ford, Richard Nixon, David Rockefeller, Condoleezza Rice, Paul Wolfowitz, Alan Greenspan, Colin Powell and Henry Kissinger. CFR media members are: Dan Rather, Bill Moyers, Ted Koppel, Irving R. Levine, Barbara Walters, David Brinkley, Tom Brokaw, John Chancellor and Diane Sawyer. All of these people have contributed to the erosion of our Bill of Rights, The Constitution and sovereignty of this nation that we have loved, and the flag we proudly salute.

Yes, we are heading into more difficult times ahead. But we have hope in the God of our salvation. Revelation 17:17 "For Elohim has put it into their hearts to fulfill His purpose, to be of one mind, and to give their kingdom to the beast, until the words of Elohim are fulfilled." Psalm 111:10 "The fear of HaShem is the beginning of wisdom; a good understanding have all those who do His commandments."
